Bill is created, numbered and read.

Committee Review

Assembly - 54 Yes Votes, Senate - 21 Yes Votes

Note: an absence is effective as a "No" vote. Absences require an "excuse note", otherwise the Speaker can call out law enforcement (local, sheriff, CHP) for the missing assembly people.

Bill Passes

The bill is sent to the other house, and if there are any changes, then the changes must be agreed to by the originating house (concurrence). However, if the houses are unable to resolve the differences, then 3 members from the Senate and Assembly are appointed to make an agreement.

Note: the bill can be modified (the changes may be minor or even a total replacement of the bill).

Bill Dies

No Agreement Reached
